TWO WAYS TO ORDER

PARTS & ACCESSORIES

THROUGH OUR ONLINE PARTS CATALOGUE

- 1** Identify the parts you want quoted: Gather the model and serial number and have a tape measure on-hand in case there are any measurements needed. Always take pictures of the product you are looking to source.
- 2** Log onto the CSF Online Parts Catalogue at www.conceptfixtures.com
- 3** Build a quote: find the part(s) you want and add them to your cart.
- 4** Submit an order: Either pay online or submit a Purchase Order with your Order.
- 5** Receive your shipment: And make your Store Manager smile.

CONTACT one of our experienced customer service representatives to help you find what you need.

BY PHONE OR EMAIL

- 1** Identify the parts you want quoted: Gather the model and serial number and have a tape measure on-hand in case there are any measurements needed. Always take pictures of the product you are looking to source.
- 2** Call the CSF Customer Center at: 1-844-582-3017 or quote@conceptfixtures.com

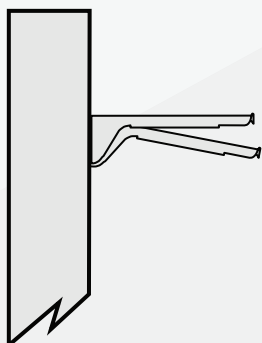

Request a Quote: provide the information you gathered above to your Customer Service Rep and they can email you a quote
- 3**
- 4** Submit an Order: Send in a Purchase Order to your Customer Service Rep and they will process your Order and provide you a lead-time
- 5** Receive your shipment: And make your Store Manager smile.

LED LIGHTING FOR MULTIDECK SHELVES - UNLIT

LED LIGHTING

SPECIFICATIONS:

Easy installation with Kysor-warren, Hill Phoenix, Hussmann, Tyler and Other Cases

Reduce Energy Usage by 80% compared to T8 alternative

All lights use industrial-strength magnets to mount onto the bottom of the shelf

50,000 ESTIMATED LIFETIME RATING; 5-year warranty on all LED Fixtures and Drivers

LEDs emit less heat into the display case than fluorescents. This helps reduce the rise in internal product temperatures. Which maintains freshness and appearance.

(k)Temperature	36"	48"
3000K	LED002	LED001
3500K	LED004	LED003
4000K	LED006	LED005

GET TO KNOW CONCEPT STORE FIXTURES

For over 25 years CSF has manufactured a full range of cost-effective products to help retailers maintain, upgrade, and extend the life of refrigerated cases. Our 250,000 plus square foot manufacturing facility boasts state-of-the-art equipment allowing us to deliver the latest energy saving and cutting edge products to our customers. CSF is uniquely qualified to deliver a complete service package to help retailers maintain, upgrade, and extend the life of their refrigerated cases.

CUSTOM, RETRO-FIT, RE-SKIN, AND REMODEL

A door manufactured by CSF will lower energy costs, increase food safety, deliver better product integrity, and enhance your customer's shopping experience. We provide store survey, design, manufacturing, and installation. Our knowledgeable staff can show you how easy the process can be. CSF boasts one of the largest product lines in the industry. We are the leading manufacturer of aftermarket parts and accessories in North America and service all brands of cases. Our commitment to quality products, competitive prices, and the fastest industry turn times are what built our reputation as an innovative leader.

OEM REPLACEMENT PARTS

CSF is your one stop for all OEM replacement parts. We have one of the largest inventory of parts in the industry for all manufacturers and pride ourselves on fast turn around. Parts are manufactured using 20 gauge galvanized metal so they will not rust. Every part is food grade, powder coated paint for durability and eye appeal. We offer a national network of quality installation crews to make sure your program goes smoothly. We are the largest aftermarket shelving manufacturer in the United States. Give us a call and let us show you how we can deliver a better product, save you more energy, increase your sales, all while saving you money
